Wrth greu'r disgrifiadau swydd Cymru Gyfan a ddisgrifir uchod, nodwyd bod rhai sefydliadau yn ei chael yn anodd yn cael gafael ar hyfforddiant pibellu prydlon ar gyfer eu staff. Os hoffech ragor o wybodaeth, cysylltwch â Imaging.Academy@wales.nhs.uk

During creation of the All-Wales job descriptions described above, it was noted that some organisations have challenges in accessing timely cannulation training for their staff. The NIAW and HEIW have worked quickly to support this, working with Agored to create a new cannulation course for RCSWs and Radiographers to develop this skill. The first cohort of learners will be welcomed very shortly, and the NIP would like to thank the NIAW along with Patricia Mathias-Lloyd and Teresa Davies-Elvin from HEIW for all the hard work required to get this off the ground.
